

Article Pass

the right research, at the right time

Article pass allows you access to research in a cost-effective and flexible way. Read, download, and engage with world leading research all via a pre-paid, token-based system.

Article Pass gives users access to pick and choose the journal article(s) they need, when they need it, wherever they are

Article Pass gives access to content from these subject areas:

- ✓ Social Science & Humanities
- ✓ Science & Technology
- ✓ Medical & Pharmaceutical
- ✓ *Expert Review* and *Expert Opinion* Collections

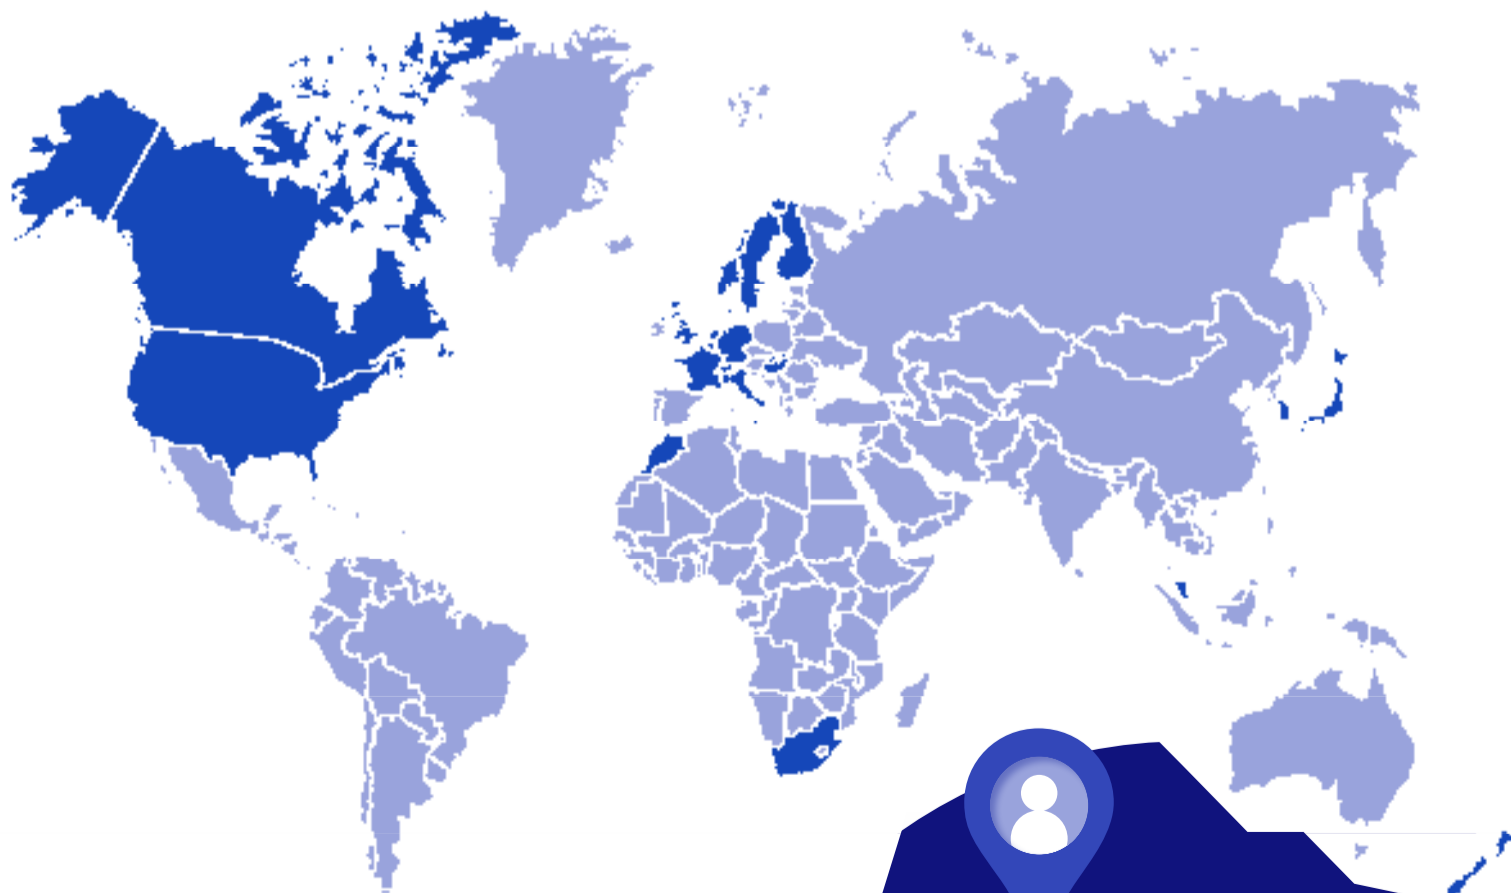

Benefit from Article Pass so your library and researchers can enjoy:

- ✓ Competitive pricing & low commitment
- ✓ Access to 4.2 million articles, from across 2,800 journals
- ✓ Flexible access to research in your desired subject area
- ✓ Timely: provide your institution with the right research at the right time
- ✓ Customizable: select content your researchers need to achieve their goals at article level, or mediate access to specific individuals at your institution

Over 20,000 tokens used last year to access content from over 4 million articles.

Savings of **up to 50%**, compared to purchasing individual articles

Article Pass, trusted by customers in 22 countries
